

B+L RegioData product groups 2020

The available product groups are listed below. Roughly defined commodity groups of the first and second level as well as detailed commodity groups of the third level can be obtained.

If all product groups of the lower level are purchased, the aggregate is supplied free of charge, e.g. when purchasing "wood-aluminium windows", "wood windows", "plastic windows" and "metal windows", the product group windows is supplied free of charge. In total only four product groups are counted for the price calculation.

Material groups - 1st level	Product groups - 2nd level	Material groups - 3rd level
Outdoor floor coverings	Concrete blocks	Floor slabs, tiles kerbs and curbs Paving stones
	Natural stones	Natural stones
Components	Interior doors incl. apartment entrance doors	All glass doors (living room) Interior doors, decoration (foil, CPL, HPL) Interior doors, veneered Interior doors, lacquer (lacquered, brushable) Interior doors, solid Steel doors (fire protection) Steel frames
	Window	Wood-aluminium windows Wooden windows Plastic windows Metal windows Shutter
Building zinc	External doors and gates	External doors (front doors) Garage doors Industrial doors
		Zinc gutters and down pipes Zinc facades and zinc roofs
Floor	Wood	2-layer parquet 3-layer parquet / plank 3-layer parquet / ship floor Solid parquet
	Textiles	Needle felt Tufting Web
Laminate	Laminate	Laminate floor
	Stone and ceramics	Tiles (floor and wall) Natural stone
PVC and linoleum	PVC and linoleum	Linoleum PVC heterogeneous (incl. click system) PVC homogeneous
	Cork	Cork
	Floor accessories (wooden floors)	Profiles, skirting boards, underlays

Roof coverings	Tiles	Roof tiles (clay) Roof tiles (concrete)
	Roof coverings (without roof tiles)	Bitumen Roof shingles
		Roof accessories Gutters and down pipes (without zinc) Plastics Metal Other
Insulating materials		Wood fibre insulation boards Mineral wool (glass wool, rock wool) Foams (EPS, XPS, PUR/PIR)
Hardware		Screws, nails etc. Installation material / flush-mounted Cable Switches / Sockets
Colours		emulsion paints Wood preservation Paints Brush accessories
Garden equipment		Garden tools (hand) Garden tools (engine) Summer houses Garden furniture palisades, construction wood, playground equipment Carports privacy, fences Terrace boards (brown, yellow, green) Terrace boards WPC
Wood	Planed goods	Planed goods (smooth edge boards, planing frames) Solid strips Profile wood
	Wood (incl. timber construction assortment)	Window scantlings Solid structural timber (KWH) Hardwood lumber Glued wood (BSH) sawn softwood (squared timber, battens etc.)
	Solid wood panels	1- / 3-layer boards Blockboards
	Panel materials	Worktops MDF / HDF OSB Laminated boards (CPL, HPL) Chipboard, coated with melamine (incl. APL) Chipboard, raw Plywood panels
Civil engineering products		irrigation and drainage Pipes, pipe accessories bulk material
Dry construction materials		Plasterboard plus accessories Metal stud frame
Wall building materials		Masonry Plaster, mortar, cement
Wall and ceiling panels		Panels
